

For Euro-Silo, safety, quality, environment and productivity are equal priorities in which we want to excel. None of these priorities can be a reason to give less importance to another priority.

POLICY STATEMENT **ENVIRONMENT**

WE STRIVE FOR A SUSTAINABLE FUTURE

Euro-Silo is convinced that industrial activities can continue to exist if they are also socially relevant and accepted.

We ensure that the sustainability of our activities evolves along with the expectations of society.

ALL EMPLOYEES OF EURO-SILO ARE JOINTLY COMMITTED TO:

- ✓ complying with the environmental policy and promoting it;
- ✓ instructing personnel and port workers on the environmental policy;
- ✓ complying with regulations and permit conditions;
- ✓ preventing or limiting the environmental pollution when carrying out our activities;
- ✓ focusing our purchases on reusable or environmentally friendly materials;
- ✓ selectively collecting the waste and having it processed in an environmentally friendly manner;
- ✓ reducing the CO₂ emissions from our activities;
- ✓ investigating reports of environmental nuisance and taking measures to avoid recurrence;
- ✓ making agreements with contractors and suppliers to reduce the environmental impact of their activities at Euro-Silo.
