

For Euro-Silo, safety, quality, environment and productivity are equal priorities in which we want to excel. None of these priorities can be a reason to give less importance to another priority.

## **POLICY STATEMENT SAFETY**

### **WE STRIVE FOR ZERO ACCIDENTS**

Euro-Silo wants everyone who comes to work with us or to visit us to be able to return home healthy and safe.

### **WE ARE RESPONSIBLE FOR OUR SAFETY**

Euro-Silo and all employees, port workers, contractors, suppliers and visitors, together, we share the responsibility for their safety and that of others.

Managers are visibly present on the premises and are tangibly involved to ensure that our company maintains a safe working environment

### **ALL EMPLOYEES OF EURO-SILO ARE JOINTLY COMMITTED TO:**

- ✓ complying with the safety policy and promoting it;
- ✓ working safely and complying with the seven golden rules;
- ✓ addressing each other respectfully on unsafe behaviour and intervening in case of dangerous situations;
- ✓ contributing actively to the identification, evaluation, elimination or reduction of risks;
- ✓ investigating incidents and accidents and taking measures to avoid recurrence;
- ✓ making clear and formal agreements with our contractors, suppliers and visitors to ensure their safety and to control their impact on our safety;
- ✓ training the personnel and port workers on the safety policy.
